

**School District:** Throckmorton Collegiate ISD

**Superintendent:** Dr. Michelle Cline

**Region:** 9

**Location:**

TCISD is located in central West Texas in Throckmorton, population 767. It is one of 2 districts in Throckmorton County and located in the county seat. TCISD is midway between Wichita Falls and Abilene.

**Student Enrollment:**

We serve 161 students, from ages 3-5 Montessori through grade 12.

**School Campus Configuration:**

We are a P-20 model and have one elementary, one junior high, and one Early College/PTECH High School. Students receive a high school diploma, Associate's degree and industry certification upon graduation.

**What are your district's points of pride?**

- TCISD is a school of choice and is one of three early adopters of the Collegiate EduNation model, a Systemic Model approach that will enable TCISD to better provide students with the resources necessary to engage in a much more globally competitive educational and work force environment as well as break the cycle of generational poverty
- We have our own community based accountability system
- The only school in the region to offer Montessori free of charge starting at age 3 and partner with Texas A&M Extension Agency as part of our model to develop researchers and thinkers
- 4 College/Career pathways that include: economic and entrepreneurship, one health, engineering, and core complete

**What makes your school district/community unique?**

- Home of Dallas Cowboy and TCU graduate, Bob Lilly and of World Champion Roper-Heeler Wesley Thorp
- Home of 3 National FFA Presidents
- Home of the progressive R. A. Brown Ranch
- District-wide 4H enrollment

**What challenges does your district face?**

- We are a property wealthy district facing challenges of Robin Hood and decreased State Funding
- Since we are an isolated rural district it is difficult attracting certified teachers
- Meeting the demands of recent legislation with a limited staff
